## ABOUT ME

As a third-year student at Istanbul Beykent University, I am focused on gaining experiences that will contribute to my academic and professional development. I am eager to apply the theoretical knowledge I have gained. I have received training in Web Programming with C# and developed projects; additionally, I conduct research and work on projects in Machine Learning and Deep Learning, and I am interested in cybersecurity.

## PERSONAL DETAILS

**Date of birth**
15.06.2004

**Nationality**
Türk
